

## ***STEP UP TO THE PLATE***

### **A Charity Baseball Marathon**

*...it ain't over 'til it's over!*

Dear friends,

On May 27 and 28, I will be joining my colleagues of the **Connecticut North Men's Senior Baseball League**, as we play 24 hours of continuous baseball. This inaugural event is an important one, as we are raising much-needed funds for the Cystic Fibrosis Foundation, Juvenile Diabetes Research Foundation and the Prostate Cancer Foundation, each of which touch players in our organization.

More than 100 players will participate in this marathon baseball event, which will be played from 6 pm to 6pm. All players are raising money, which will benefit these worthwhile charities. I am asking that you support me, and all of our efforts, by pledging a monetary donation. You can simply make a flat donation, or a per inning donation if you like. We estimate playing 70 innings over 24 hours.

The **Connecticut Baseball Charitable Foundation** is a 501(c)(3) charity, which will give 100% of the net proceeds to the 3 organizations above.

My teammates and I are *Stepping Up To The Plate*, and I hope you will support this important cause!

Sincerely,
